**Aevum praehistoricum** (a Latino *prae* + Graeco ἱστορία 'res gestae') est spatium temporis ante historiam relatam artisque scribendi inventam, cum historia coepisse habetur.<sup>[2]</sup> Notio praehistoriae per Aevum Illuminationis oriri coepit in operibus antiquarianorum qui vocabulum *primitivas* adhibere solebant ad societates quae ante relata scripta fuerant.<sup>[3]</sup> Primus autem *prehistory*, vocabuli Anglici, usus in *Foreign Quarterly Review* anno 1836 factus est.<sup>[4]</sup>
